This book examines the nexus between the corporeal, emotional, spiritual and life as represented in the writing of the Middle Ages and the Renaissance.

Language, Mind and Body - by John E. Joseph December Amsler, focussing on the late Middle Ages, uses the term 'affective literacy' to which communicates directly with the heart through the exchange of spirit.

Broadly speaking, the Middle Ages is the period of time in Europe between the end of antiquity in the fifth century and the Renaissance, or rebirth of classical.
