He later argues that the Soviets were taking unsustainable losses, and would 1941-1945 been beaten without massive Western material aid, and especially without the landing of Allied armies in the Mediterranean to draw German troops from Russia. The other side of this argument requires Mosier to diminish Stalin and the Red Army. What you thought you knew about conflict X is wrong, what really happened is Y. However, Mosier allowshishatredofanythingCommunisttocolorandcloudhi
Once the Allies threatened Italy, Hitler was forced to withdraw his best troops from the eastern front and redeploy. Stalin by John Mosier. Though not a military historian by training, he has written a number of revisionist Some would say contrarian military histories, including The Myth of the Great War:
In any case, I found the book an strange exercise overall, even though it is alw
said all that, Mosier's book is far from perfect.
