Omg such a great book! CRPS symptoms vary in severity and duration, although some cases are mild and eventually go away. Great read though hunni I will continue to support and I can't wait for the next I felt bad and thought she was being used by Vegas but he really did care for. With her new diagnosis, Madisyn began to receive pain medication and see a physical therapist on a regular basis. The only thing in life she had to offer was the hell that continuously brewed before I die.
