Please help improve this article by adding citations to reliable sources. A wonderful exploration of women and nature. From Wikipedia, the free encyclopedia. So what if you don't learn anything from this. This is not a coherent narrative of any sort, and might more properly be described as "prose poetry," at times somewhat in the direction of beat poetry. Women have traditionally been subjugated in ways that make them more animal than human in terms of the way that men seem to view their role, and this is where Griffin speaks powerful truth. Basically there is a bunch of stuff that leads up to all of these people being stuck on an island in the Everglades. Lists with This Book. The author's deep insight to see the connections between. Read Edit View history. There's a difference between the intimacy of marriage and the intimacy of a close friendship.
