Swimmy shows his friends how—with ingenuity and team work—they can overcome any danger. Melissa marked it as to-read Oct 19, A classic children's book where the author is also the illustrator.

The award-winning team of Adam Rubin and Daniel Salmieri has created an unforgotten story. And with the discovery came images like this, of gravity waves and temperature differences in the early universe. We were told that McCloskey lived there with a roommate, fellow artist, Marc Simont, at the time he was writing Make Way for Ducklings, and was studying the behavior of ducks for this book. I thought it was more like a basketball. Return to Book Page. And he came up with these five:
