Though running a nightclub is Grant Sullivan's second career, he can't shake the instincts that made him an excellent cop He needs to remain in the shadows a bit longer because he needs Lana's help. Personally, I had little trouble jumping right in to the world of an existing set of friends who have found the ability to leap through stone portals located in an enchanted garden of their small hometown that takes them to other such portals around the world.

Desperate, Lana takes matters into her own hands and meets a stranger who promises to help her. For now, avoid forcing the issue with mere "lists" of works possessing an arbitrary shared characteristic, such as relating to a particular place. Marissa Richland joined the Taylor Point Task Force as a forensic analyst under an assumed name to protect a priceless secret. Be it pencils, phones, or people, whatever technology has improved, she prefers originals in both her professional and personal life. It wasn't until I was finished that I realized that it was part of a series of books by a USA Today bestselling author, I write award-winning,
