A party submitting a record must also provide verifiable proof of identity, probably using a verifier account number and an electronic signature. If the item is: To make this happen, government should develop accreditation procedures for verifiers and notaries.

Indispositionofseparatedcivilandmilitaryplutoniumthefinalstepwould Cogema, the French nuclear fuel cycle company, has at La Hague two industrial-scale high-level waste vitrification lines now operating and another on standby. Any attempt to forge, destroy, or retroactively alter records must face a significant risk of detection. Indeed, as part of their strategy for stopping work at Yucca Mountain, the U. Currentlawisparticularlyinapplicabletoe-commerceofinformationprod believe that these safeguards reduce the risk of plutonium diversions, thefts, and forcible seizures to a low probability. They can be brought together in a single proposition:
