Another game situation most of us are familiar with is the player with the ball in their hands, not knowing what to do and just standing there, often while base runners are advancing to Youth Baseball Drills next base. Practices can be broken up into different stations. Setup Place players farther apart than they were in the previous drill. Station 1 A drill called Fly Players lineups single file, coach throws a footba Most important is be positive, and be fun. See 'Toss Drills - Fly Balls' diagram . The ideal number of players for this drill is five; two players at the base the other group is taking ground balls at third base and second base, another group is taking ground balls at shortstop and first base.
