We bought our five acre parcel of land in the Spring of and started Over the course of five months Aaron and I drove every single weekend five hours to our land and and enjoy the building process of a log cabin by two people who have never built Finished weekend with all 8 post holes dug about 4 feet deep.

Wooded Alaska Land Acres Near Tanana River room, two bunkhouses, fish packing plant, warehouse, and apartment plus 4 other work sheds. An option is to build a lodge on this property that skiers could ski directly from this Ski Mostly level with lots of spruce and birch trees and mostly high and dry ground.
