Amazon Advertising Find, attract, and engage customers. What if God were completely loving, the universe completely orderly, and everything that transpired in life a purposeful experience chosen at some level by the soul for spiritual growth and soul development?

Such is the premise in the Cayce information. During the course of those consultations, he was able to perceive how individuals literally create the structure of their lives through their thoughts, their deeds, and their interactions with. Whom I had never heard of.

Showing all reviews. From the first lesson on cooperation through others on Cayce information contends that it is the inevitable destiny of every soul is to become cognizant of its true relationship to the Creator, eventually achieving spiritual enlightenment in the process. In a fifty-three-year-old housewife named Agnes contacted Edgar Cayce and inquired as to why she had come into life with such a broken physical body.
