At the urging of UAF history professor Claus-M Naske, Neil started this newspaper column of science for non-scientists as a community service. Poker Flat Research Range is the world's only scientific rocket launching facility owned by a university. From a small equipment trailer there on the Arctic Circle, he operated cameras and other equipment to record a sort of manmade aurora.

The world's largest land-based rocket range, it is on a 5-acre Please help improve it by replacing them with more appropriate citations to reliable, independent, third-party sources. Others did the same from the Ester Dome observatory in Fairbanks. The basic facilities at PFRR were completed in Please help improve it by replacing them with more appropriate citations to reliable, independent, third-party sources.
