I don't remember which one, but I'm sure I could find it again if I had to. As far as I can work out, the British also use the term corps to refer to a group of regiments Not sure about the wording here: Although I suspect that criticism of the other ships, which Beatty had commanded for longer, would be taken as an implicit criticism of Beatty .

No, they aren't really meant to be connected, as the sources don't imply a connection. Can you guys reword, or add some clarification? Portrait of Eichelberger, other uniformed men in background. Also, an illustration of how our standards change.
