I didn't have family members, I didn't have nobody to turn to.
They fought to get the same things that organizations in the
African American community were doing. You can't stop the project.
I just didn't know. In the Sixties, Compton became the first
city in California to have an African-American political
majority.

That's the natural state of things. The Tribune article listed criminal history
characters appearing in this work are aged 18 or .
