My sons are adults. They are wonderful, smart, successful adults and I adore them. They have their own lives and thankfully still include us in their lives.

The challenge of helping students (and adults) build kindness and empathy can seem overwhelming at first, but there are many practical ways. How do you teach your children or students to be kind?.

To a child, the grown-up world can be perplexing. It doesn't just teach kids about being grown-ups, it teaches grown-ups about how to be better.

Why is it important to be kind? It talked about how we should... If a child is to keep alive his inborn sense of wonder, he needs the companionship of at least one adult who can share it, rediscovering with him the joy, excitement and mystery of the world we live in.
