There should not be the slightest attempt to dictate a cure to the higher power nor the slightest attempt to introduce personal will into the treatment. We appreciate your feedback. This would be impossible if he were less than relaxed, peaceful, assured, if either fear or desire introduced their negative presence and thus obstructed his receptivity to the healing-power's penetration.

This brief section integrates and illuminates many of the topics developed in The healing of the body was but a by-product and took place only after these inner processes had been successfully carried. Orthodox allopathic medicine deserves our highest respect because of the cautiously scientific way it has proceeded on its course. While there is little about his personal life and history here—topics that seldom held his interest—there is a great deal about his life as a traveler, seeker, meditator, and spiritual author.

The Way of the Heart. Pray also to be enlightened as to why this sickness fell upon us. we can change the direction of a second shot if we realize our error. The review must be at least 50 characters long.
