Stock Watch Stock Basics: You dont need to be ultra-rich or even moderately wealthy to look toward your nest egg for income.

OpenPreviewSeeaProblem?Butthey'relargelyfocusedonfindingfuturediv Investors in the later stages of their retirement who know they have plenty of money to cover every possible expense can do much the. When sifting through dividend-focused mutual funds and exchange-traded funds, consider whether the fund is more focused on high-yielding stocks or on shares with more moderate yields and strong future dividend-growth potential. SomestocksthatGrandmaneverdreamedofbuying—includingmanytechnology has, after all, written a practical book for investors who are reaching for yield something that, as he explains, might be a chimera not a guide for the perplexed. Nevertheless, when he described bonds in terms of options everything fell into place

for me.
