The situation felt weird, but I thought nothing about it. I loved the characters in this book the good and the bad! I liked the love in this story.

He insisted I remove my undergarments, and I eventually gave in. Her love of sex

He also wanted me to hang out with him at his house soon. I stayed up all night reading it and wishing the next in the series were already in hand. However, there are a few devices that Auclair used that drive me insane.

She's ready to blame Aldric for everything—even while melting in lust again so

so much I haven't discussed, themes the movie touches on in subtle ways, like the pressure to get married, shame surrounding menstruation, even Facebook trolling. I got this book from NetGalley for an honest review.
