If you found an asshole with his legs sticking out, trapped, under an SUV would you consider eating his legs? The main character is the asshole you love to hate.

A first-person narrative in the voice of a complete jerk that still manages to

I prefer to hire people I'm excited to dominate. Quotes from Au secours! Meet Death himself – a single, deadly male, looking for a lover who will die slowly.

There is very little action that takes place during the story but the character

is an unconventional little book, even by bizarre standards and it's not even all that bizarre, really, in the sense that William Shatner doesn't make a single appearance, let alone as a dozen simultaneous incarnations. This argument went on for years and years and years.
