He needs to love stories and reading, without all the work and pain, and you can do that for him every day. Posted on January 6, at 4:

We used to call boys with learning disabilities "stupid" or "lazy." I agree with you. To be honest, I would prefer not to deal with African American students. A few years ago, medical schools in the U.S. would prefer not to deal with African American students. My son is still a toddler and I wonder what we can do to avoid a similar future.
