Really not boring and refreshing when watched. I hope to see her in another drama. Loved it but was left searching for that song that was played in episode 9 when Lawyer Kim cried and episode 16 during the diner and i finally found it after much searching so am sharing LET'S EAT! link LET'S EAT! help anyone else who was struggling to find it as . Retrieved February 14, This drama is one of the best korean drama I have ever watched. At least give her credit for not spending wads on plastic surgery like LET'S EAT! many of these actors and actresses. Minka Pinka Feb 18 6:

The photography in episode one is just perfect and the acting fresh story line to be safe, input your password to login Connect with Facebook or Create an Account Already a member?
