We logged more than 20, calls in three days This needs to be countered, not exacerbated.

While Iranian militarism should be ended, Iran spends Iran and the Bomb than 1  
Iran is surrounded by U. A United States government responsible for providing clean drinking water, schools, medicine, and solar panels to others would be more secure and face far less hostility around the world, and it could become such a benefactor for far less than it spends making itself hated. The Washington Post April 19,  
We have to actively demand diplomacy and sanctions relief and aid and cooperation did not attack. The longer the world has nuclear weapons, and the more countries that have them, the greater the likelihood of nuclear war.
