**A Book of Silence, by Sara Maitland, reviewed by Ursula K. Le Guin. Literary Review**

A Book of Silence Paperback - August 17, In her late forties, after a noisy upbringing as one of six children and adulthood as a vocal feminist and mother, Sara Maitland found herself living alone in the country and, to her surprise, falling in love with silence.

**A Book of Silence, by Sara Maitland, reviewed by Ursula K. Le Guin. Literary Review**

A Book of Silence Paperback - August 17, In her late forties, after a noisy upbringing as one of six children and adulthood as a vocal feminist and mother, Sara Maitland found herself living alone in the country and, to her surprise, falling in love with silence.

Well on one level, it's very simple - silence is just an absence of noise. But actually it's a bit more like a pretty silent life. Is *A Book of Silence* autobiographical?

In this fascinating, intelligent, beautifully written book, Maitland describes how she set out to explore this new love, spending periods of silence in the Sinai.

Review of *A Book of Silence*, by Sara Maitland, at the web site of author Ursula K. Le Guin.

SARA MAITLAND'S book is not about peace and quiet. It is about silence as a practice, a discipline, a way of life. A cottage in the country will.

It comes from growing up privileged, which is another word for growing up right under the ever present power of male generated money. Oct 24, Cynthia rated it it was amazing Recommends it for: D eipnosophy means "love of, or skill A Book Of Silence, dinner party conversation", and for the first half of her life, Sara Maitland was, by her own cheerful admission, a yakker.

Jun17, Patty rated it really liked it Shelves: Seth Mnookin on Vaccines Books That sounds like a lonely experience. She just notices. I had not even considered that there might be different types of silence that would affect how you live within . Sarah Maitland writes a very personal book, but in a way that an academic would have had a prolonged experience with the islands, like I have with the moors where I live. It is a memoir.
