I disagree a great deal with our country's posture and laws but that is the fabric of democracy. I guess what is frustrating is that a person can deceive her country based solely on her personal views. It hurts the story but anybody who writes a book of this nature has to follow the rules even if it hurts the story.

But obviously it was enough to interest an investigator to investigate and arrest him. He had a story to tell and he did so to the best of his ability. When he discovers the name of Ana Montes among the file, he puts two and two together and decides that this is very suspicious. But for sixteen years Montes sent Castro some of America's most closely guarded secrets and at the same time influenced what the United States did. I disagree a great deal with our country's posture and laws but that is the fabric of democracy.
