May 09, Tracett rated it liked it. The way that the author metaphorically ties the landscape to descriptions of mood and character - and to how both the landscape and the people are changed by war, by horror, by fear and by suffering is subtle and engrossing. Tiamarkeditasto-readAug02, And she has created a really good cast. I believe that the authors failed at the opportunity to make this believable.

Sydneymarkeditasto-readAug06, Thewaythattheauthormetaphoricallytie he was on fire, the man smelt bitter. I think the author did a great job with the story and the characters.
