It was felt that this small change and its significant impact had promoted improved health and wellbeing in the individual. This easy to understand book would make an excellent resource text for a community home staff team, NVQ student or a relative or carer of someone with this testing diagnosis. The CEC offers a range of programmes relating to the management and care of people with dementia.

The information is delivered in a practical but insightful manner. Reviews

Following a pilot, the teams offered two 14 week group programmes. A range of stories about the lives of people supported by MacIntyre and their personal journeys with dementia:

A dementia strategy group started in with the aim of improving services to people with dementia. The group has been successful in many ways, including the development of a 'Dementia Friendly' award and the creation of a 'Dementia Friendly' network.
