Buy Faery Tale: One Woman's Search for Enchantment in a Modern World by Reading this book is like remembering that elusive magic of childhood. This is, beyond a shadow of doubt, one of the most delightful books I've read in a . Like seeing Christmas through a child's eyes, sometimes we need to see our own.

It is two children against the rest of the world in Thomas's riveting tale about Julia and Nathan, who win popularity at school when they find a stash of money in a deserted house, but soon decide to flee when teachers and parents want to know where it came. Hounded through London, befriended and betrayed, Smith eventually discovers that he has something of real value. Either read it to them or wait a couple of years.
