Each chapter -- indeed, each page -- is peppered with descriptions of the cultures, customs, rituals, cuisine, and peccadilloes of that region. Amoral but not atonal. You aren't supposed to. All things remaining equal, play is more important. Burton has it all, looks, smarts, an awareness about others, and has this cool American swagger. Life is short - it's important to make every day count for something, if only to . We couldn't create your list. It draws strength from his personal experience those days, in S. Published on May 19,
